MERCHANTS BANK

St. Joseph, Mo. April 1st 1890

The Honorable
The Director of the Mint
Philadelphia Pa.

Dear Sir:

Some time ago I addressed a letter to you to which I never received a reply. I take the liberty again to address you on the same subject. I would like to be informed if there is a possible chance to get a small number of gold dollars and gold three Dollar pieces. Quite a number of our good customers request such coins for keepsakes and we would, if possible, like to get some. According to recent Mint reports there were such pieces coined up to the last act of Congress abolishing the same. An early reply from you would be thankfully received.

I am very respectfully
your obedient servant
Mat. Andriano
